WHO WE ARE:

(formally kangaroo soccer camp)

Nortex Elite was developed with a philosophy to provide quality training for the young soccer player in a positive and fun environment that encourages success for players of all levels. Our goal is for players to learn new skills as well as improve upon those they already possess. In addition, we also strive to teach players the skills and techniques of how to train themselves for when they leave the academy.

Director/Owner: Mark Hudson is the Head Men's Coach at Austin College and a North Texas resident for over 7 years. Hudson has two decades of experience coaching both boys and girls at the youth and collegiate levels.

Our staff is comprised of some of the best college, high school and club coaches in the region, as well as current and former collegiate players.

Included in the staff is Kristina Corona, Head Woman's Coach at Austin College. A former University of Tulsa standout and Southern Collegiate Athletic Conference Coach of the Year, Corona brings a wealth of knowledge to the camp.

We hope you will join us this summer!

- Our mission is to provide the best camp experience in the region. That means being able to provide outstanding facilities and exceptional coaching.
